DanceSport is the official name given to the sport of competitive ballroom dancing.

DanceSport has gone through a revolution over the past decade. Today, the combination of artistry and athleticism has brought DanceSport into the forefront of mainstream media. TV shows such as "Dancing With the Stars" and "So you Think You Can Dance?" both showcase the challenging and rewarding aspects of the exciting world of DanceSport.

Competing is a great way to accelerate your skill as a dancer and competitions are a vibrant, exciting part of the ballroom dance world.

Thursday Evenings

5:00 - 6:00pm

Our back to back programs mean you can start at ANYTIME, and continue on into the next cycle.

And the same applies to missing a lesson - simply pick it up during the next cycle.

DID YOU KNOW...

Kids involved in ballroom dance have much higher levels of achievement and personal development. The sport of Ballroom dancing demands that the partners respect each other. Boys and girls learn to appreciate each others skills and abilities as they form goal-oriented partnerships. As dance partners, they must work together to achieve their desired result. And when they get involved in competition, the benefits become even more prominent, as they learn to set goals, accept defeat gracefully, and build confidence in themselves and what they can accomplish.
